FIRST RESPONSE TARGET

2 business hours*

A procurement partner that welcomes small requests.

We're a small Canadian business that wants to earn your consideration. From urgent one-off requirements to multi-line RFQs, we review goods requests across many categories and respond candidly about availability, pricing and delivery.

GOODS WE CAN EVALUATE FOR SUPPLY

Office & facility	Paper, cleaning products, hygiene consumables
Tools & industrial	Hand tools, hardware, maintenance items
Safety & PPE	Specified protective products, subject to standards
IT & furnishings	Peripherals, furniture, business equipment
Other goods	Specification-led requests across lawful categories

CREDIT-CARD FRIENDLY

Credit-card payments accepted for eligible orders, subject to agreed terms and secure processing. We do not collect card details in an RFQ.

HOW WE WORK

Send item descriptions, quantities, destination and deadline. We acknowledge during weekday business hours, evaluate sourcing, and provide an itemized quotation when feasible.

*Target for acknowledgement during regular weekday business hours; a detailed quote may take longer.
